

PATIENCE FED BY HOPE

With

Fr. Terry Ryan, CSP

We need patience when our prayer life has the feel of being empty, barren, and dark. Teresa of Avila says, "Patience obtains everything." Faith is more than a decision. It requires patience and perseverance in the face of God's hiddenness. Our hope is that God is seeking us in a world that seems so uncertain. We may have nostalgia for the past, but God is a God of creation, surprise and wonder. We are ever moving into transformation.
