

# The Spiritual Journey

*With*

*Fr. Terry Ryan, CSP*

This is part two of a presentation that began in April 2016 here at the Paulist Center. It will pick up on Thomas Keating's *Reflections On The Unknowable*. Fr. Ryan will summarize part one for those who might have missed it previously. If you struggle with meditation, prayer of silence and listening, or want to advance into a deeper prayer life, these issues will be addressed. The spiritual journey is an evolving relationship that never ends. People in twelve step programs may benefit as well.
